REMARKS

This paper is responsive to the Non-Final Office Action mailed on June 16, 2005. Claims 1-13 and 17-20 were examined and rejected. Claims 14-16 were examined and
5 objected to as being dependent upon a rejected base claim but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Applicants thank the Examiner for a detailed and thoughtful examination of all the claims.

Only in this application do claims 7, 15, and 16 remain originally or with
10 amendments. All other claims are canceled. By incorporating all of the limitations of claims 11 and 14, the currently-amended claim 7 is believed to be allowable over the art of record. Also, claim 15 is currently amended to become a dependent claim on the allowable claim 7, and therefore is believed to be allowable. A Notice of Allowance to that effect is respectfully solicited.

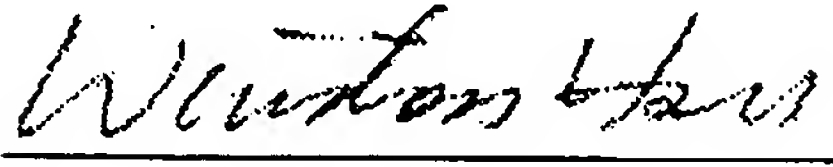

15 Should any issues remain, Applicants respectfully requests a telephonic interview with the Examiner to discuss this response, and further in the hope that the remaining issues might be efficiently resolved.
